Funds Available for the Payment of Scheduled Debt Service

The current year's levy of \$1,422,729.54 is expected to generate sufficient revenue to cover the full year's debt service of \$1,398,837.50 without impacting the fully funded Reserve Fund.

⁶ These charges include a 10% penalty on each past due installment and 1.5% per month "redemption penalty" (or "interest") on the original delinquent amount, which begins to accrue July 1 of the tax year following the delinquency.

⁷ In addition to the amount due, parcels which have an existing foreclosure judgment recorded against them will include judicial foreclosure costs not included in this column.

Foreclosure Covenant

The District covenants with and for the benefit of the Owners of the Bonds that it will commence appropriate judicial foreclosure proceedings against parcels with total Special Tax delinquencies in excess of \$5,000 (not including interest and penalties thereon) by the October 1 following the close of each Fiscal Year in which the last of such Special Taxes were due and will commence appropriate judicial foreclosure proceedings against all parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Taxes levied in such Fiscal Year, and diligently pursue to completion such foreclosure proceedings; provided, however, that, notwithstanding the foregoing, the District may elect to accept payment from a property owner of at least the enrolled amount but less than the full amount of the penalties, interest, costs and attorney's fees related to a Special Tax delinquency, if permitted by law. Notwithstanding the foregoing, in certain instances the amount of a Special Tax delinquency on a particular parcel is so small that the cost of appropriate foreclosure proceeding will far exceed the Special Tax delinquency and in such cases foreclosure proceeding may be delayed by the District until there are sufficient Special Tax delinquencies accruing to such parcel (including interest and penalties thereon) to warrant the foreclosure proceedings cost.

Collection and Foreclosure Actions

The Mello-Roos Act provides that delinquent property may not be sold at a judicial foreclosure sale for less than the amount of the judgment plus past judgment interest and authorized costs without the consent of the owners of 75% by value of the Outstanding Bonds.

In the event of a failed sale, the property owner retains title to the Property. The judgment remains, however, and will be updated from time to time. When the CFD Administrator believes that there is a reasonable possibility that the foreclosure sale might be a successful sale, the property can be re-noticed for sale. In the event a buyer comes forward prior to that time with a bona fide offer at a price below the current requirements of the law, the County will evaluate the possibility of taking that offer to the bondholders for approval.

As of September 30, 2023, there are no foreclosure actions within the District.

The Reserve Fund must be maintained at the Reserve Requirement which is defined, as of any date of calculation, as an amount equal to the least of, (a) 10% of the total original principal amount of the Bonds, (b) Maximum Annual Debt Service on the Outstanding Bonds, or (c) 125% of average Annual Debt Service on the Outstanding. In the event that special tax revenue is insufficient to pay debt service, money may be transferred from this Fund to the appropriate account of the Bond Fund. The Reserve Fund will then be replenished by increasing the next year's special tax levy to the extent permitted by law. **As of September 30, 2023 the balance in the Reserve Fund was \$1,463,869.88 and the Reserve Requirement is \$1,401,743.76.**
