**INSTRUCTIONS FOR APPLICATION**

PLEASE READ INSTRUCTIONS CAREFULLY BEFORE COMPLETING APPLICATION

This Application pertains to appeals of special Taxes levied within the County of Riverside's Mello-Roos Community Facilities Districts. Such appeals are governed by *The Mello-Roos Community Facilities Act of 1982 as amended and by the Rules of Notice and Procedure of the Special Tax Review Board of the County of Riverside, California*, authorized and approved by the county of Riverside Board of Supervisors, acting as the legislative body of the Community Facilities Districts. Terms used in these instructions and the Application are defined in the *Rules of Notice and Procedure*. Copies of the rules can be obtained from the Clerk of the Board of Supervisors or from the County Administrative Office.

1. **Applicant and Application.** This Application must be filed by the owner(s) of the subject property or by their agent. If the application is filed by someone on behalf of the Applicant, please see instruction 2. The Notice of Hearing will be mailed to the Applicant at the address shown on the application. The applicant is responsible to inform the Clerk of the Board of Supervisors of any address change. Filing an Application does not exempt the applicant from paying current or future taxes. Failure to pay taxes in a timely manner could result in penalties and late charges being levied by the Tax Collector.

The Applicant or agent must ensure the Application is completed correctly and filed in a timely manner. The Filing Period during which Applications are accepted begins the date the disputed tax bill is issued and ends the next following December 31. To be considered timely, applications must be postmarked no later than December 31. Only one 30-day extension will be granted to correct an Application. Failure to submit revisions within the extension period will result in dismissal of the application by the Board.

2. **Designation of Agent.** If an agent is authorized by the Applicant, Section 2 of the Application must also be completed and signed by the Applicant. A duplicate copy of the Notice of Hearing will be mailed to the agent's mailing address as shown on the application. This section must be signed by the property owner or appropriate corporate officer.
3. **Findings of Facts and Conclusions.** Findings of Facts and Conclusions are most generally requested when the Applicant feels an adverse Board decision may be challenged in court. The current fee for findings of fact, as set by the *Rules of Notice and Procedure*, is \$715.75 per parcel. Mark only one choice.
4. **Community Facilities District.** The specific Riverside County Community Facilities District must be designated for the Application to be complete. This information can be obtained from the regular property tax bill, from the Treasurer-Tax Collector's Office or from the County Administrative Office.
5. **Identification of Subject Property.** The Assessor's Parcel Number provides the most accurate identification of property and must be used on the Application to describe property. Lot and tract numbers, street addresses, etc., are not sufficient to complete the Application. Assessor's Parcel Numbers can be obtained from the current assessment roll or regular property tax bill. Also state the current Special Tax levied on the property. All property subject to the requested review shall be included on the same Application. If the Applicant appeals Special Taxes on more than three parcels, a full listing of the parcels should be made on a separate list. This list should be labeled "Exhibit A" and attached to the application when submitted to the Clerk.
6. **Purpose of Application.** The Applicant may choose one, two or all three of the given grounds for challenging a Special Tax levy. At least one of the three alternatives must be marked for the application to be complete.
7. **Applicant's Statement.** The Applicant must provide an estimate of what the special Tax levy would be for each subject parcel if the appeal were upheld. If the Applicant is appealing the special Taxes on more than three parcels, a full listing of the parcels should be made. This listing should be labeled "Exhibit B" and attached to the Application when submitted to the Clerk.
8. **Supporting Facts.** The *Rules of Notice and Procedure* require that the Applicant state the facts being relied upon to support the appeal. Statements of the facts should be substantive, and as clear and specific as possible. Additional pages or formal written arguments may be labeled "Exhibit C" and attached to the Application when submitted to the Clerk.
9. **Certification by Applicant.** This section must be signed by the property owner or appropriate corporate officer.
